

NORTHWESTERN OHIO SECURITY SYSTEMS, INC.

800-833-6416 | 419-227-1655 | sales@nwoss.com

CAREER OPPORTUNITY

Position:	Security Technician
Job Type:	Full Time
Experience:	Entry Level (will train)
Education Level:	Assoc. Degree or equivalent (Network certification in Cisco or Microsoft a plus)
Location:	Medina, OH

Job Description:

If you enjoy working with your hands AND enjoy working with computers, we have a career for you! Avoid the monotony of being chained to a desk! Travel daily to a different customer location in Ohio. Experience freedom to work independently on new challenges every day. Enjoy the duality of working in the field while implementing the latest technology in the security industry.

Responsibilities include:

Installing/programming/troubleshooting/repairing various low-voltage electrical systems such as security, access control, fire alarm, and video surveillance; Install wireless and hardwired networks; Train customers in use and set-up of systems; Travel daily throughout Ohio.

Ideal candidates possess:

High-level computer proficiency; Aptitude for learning new concepts; Ability to use hand tools; Strong self-management skills; Good customer service skills; Communication skills; Good driving record.

What we offer:

- 100% Company Paid Employee Health Insurance
- Paid holiday and vacation time
- 401(k) with company matching
- Company vehicle and gas card
- All hand/power tools
- Laptop and cell phone
- Paid training and certifications

NWOSS is a full-service security systems integrator that has been fast growing since established in 1981. Our customers range from home and small business, to schools and hospitals, to factories and government complexes. NWOSS is an equal-opportunity employer.
